The Sheltered Guide 09/23/20

Good Morning Alliance Members,

This month's Sheltered Guide is going to look a bit different and will take a break from our normal content, but don't worry we will kick off a new topic in October!

We are going to capture a few reminders about your membership with the Alliance to make sure you and your agency are receiving all of the benefits.

- Did you know that you have **5 logins** to your member portal? Be sure to add your marketing/fundraiser(s), program director(s), advocacy representative(s) and your Executive Director! Also, all 5 individuals will be added to our Sheltered Guide distribution list in order to not miss out on all the content and announcements.
- Looking to collaborate or have questions pertaining to your agency/program? Reach out to others via the **Groups!** The Groups are a great way to network.
- We would like to provide you with your **Alliance member logo!** Feel free to add it to your website/social media. We love having our members represented throughout the field!
- FYI: All of the on-demand and live presentations from Sheltered Virtual will be posted on your member portal on November 1st. Whova is still live through this **Friday, September 25th.**

Have questions about your membership? Feel free to email us at membership@shelteredalliance.org.

Accreditation Announcement

Do you know someone who has a passion for bettering the field of anti-trafficking services? The NTSA **review panel** will now include **member nominated panelists!** NTSA Members are encouraged to nominate experts in their agency or individuals they have partnered with in their local community who show excellence in their specific field. **We will be accepting nominations until November 30th!**

We will continue with our regular Sheltered Guide content in October.
