Christian Medical & Dental Associations

Nationally Approved PACE Program Provider for FAGD/MAGD credit.

Approval does not imply acceptance by any regulatory authority or AGD endorsement.

1/1/2019 to 12/31/2022

Provider ID#218742

**4 Lecture Hours Available.**

**No prior level of skill, knowledge, or experience is required (or suggested)**

*Course designed for physicians and dentists and other healthcare professionals*

**Objectives:**

- Discuss the need for training healthcare workers at all levels to improve healthcare in an international setting especially in low- and middle-income countries.
- Discuss elements of education that need to be stressed and used in a global setting.
- Discuss the importance of leadership and mentoring when working with healthcare students and postgraduate trainees.
- Utilize a domestic healthcare setting in private practice or academic setting to care for the underserved in a caring way.
- Define ethical principles for clinical practice domestically and in a global setting.
- Use a template to analyzing educational and medical ethical issues in a global setting for representative scenarios.
- Define a comprehensive model of healthcare, including spiritual care.
- Define true health.
- Discuss how complete medical care must include addressing more than the patient's physical complaints.
- Discuss investing where the medical and spiritual needs are the greatest.
- Describe the positive impact on both patients and the healthcare professionals when investing where the needs are the greatest.
