The Sheltered Guide 11/05/20

Hello Alliance Members,

We have heard from many members throughout the Alliance about the challenges (and sometimes frustrations!) with how to properly **empower leadership and/or your board of directors**. You are not alone! Let's talk more about how you can not only ignite them, but keep them committed to your organization's mission!

- **Governance & Accountability** (16 minutes)- Sheltered Virtual presentation by Dan Busby, ECFA- view [video](#) and governance [toolbox series](#).
- **Role of the Board During the Pandemic**- In these uncertain times of COVID-19, the board needs to provide **steady and adaptive leadership** in partnership with the CEO (Folkedal and Tallman, 2020).
- Here is a **Toolkit** by the Chronicle of Philanthropy that covers- engagement, recognizing **board burn-out**, how to fix board meeting problems, and more!
- **5 Questions That (Newly) Virtual Leaders Should Ask Themselves**- an [article](#) that challenges leaders to pause and identify what they need to do differently not only to sustain, but also to strengthen their skills in a virtual setting (Raffoni, 2020).
- View this [infographic](#) about **How to Engage Your Board for Fundraising Success** (White, 2019).
- **9 Ways to Engage and Motivate Your Board Members to Raise Money** (Eisenstein, 2019).
