

Faith Based Security Network

WA & Pacific Northwest

For all churches or faith-based organizations who are developing or improving their safety and security practices.

**November 1 - 2,
2024**

The best presentations are by security leaders who actually do it every week; and the best lessons learned are taught by the survivors who truly experienced serious incidents.

William Kirk

President, Washington
Gun Law

Carl Chinn

President, Faith Based
Security Network

James Homolka

Director of Safety &
Security, Peoples
Church
