MANDATORY REHEARSAL

Saturday, June 3rd CHECK-IN OPENS AT 4:00 PM

The ceremony is a choreographed event. All participating graduates and parents are required to attend the rehearsal at Cheyenne Berean Church. It is critical that ALL graduates are present for the rehearsal— on time! Musical performers will do a sound check at 4:00 PM

This mandatory rehearsal will begin promptly at 4:30 PM. All graduates and parents must arrive no later than **4:15 PM** to get checked in and seated. ***Please, do not be late.***

Parents will award their student their diploma and will have up to 2 minutes (possibly less depending on the number of graduates) to share a bit of encouragement, accomplishments, commissioning, etc. from the stage while presenting their diploma. For this reason, parents will need to participate in rehearsal.

ACCOMPLISHMENTS, FUTURE PLANS, AND FAVORITE VERSE OR QUOTE

We encourage each graduate to share your accomplishments, future plans, and favorite Bible verse, quote, OR life motto.

Please write complete sentences in third person starting the paragraph with the student's first name. For a Bible verse (**one verse only**), please provide the verse written out along with the citation of the verse. Please do not use quote marks around the Bible verse unless the Bible

verse itself is a quote as in the example below. For a life motto that is a quote, please cite the author of the quote. Do not include quote marks.

We recommend writing these out in a Word document first so that you can polish and edit the text and also easily calculate the total word count. Homeschool Wyo reserves the right to edit for length or content if needed.

COMBINED MAXIMUM WORD COUNT: 125 Words

The total **combined word count for all three sections should not exceed 125 words** (accomplishments, future plans, and favorite Bible verse or quote).

Example

ACCOMPLISHMENTS

Alissa played soccer for five years at Christ's Church. Her team won four championships and she received the Charlie Hustle Award twice. She participated in archery for two years with Wyoming HEAT. In 2019 the team earned 1st place at state and qualified for nationals. Alissa enjoys volunteering. One highlight was organizing a group of friends to help assemble 3,000 hygiene bags for people in need with Trinity Fellowship Church.

FUTURE PLANS

Alissa plans to pursue assistant coaching positions with her P.E. group and archery team. One of her goals is to be a certified archery instructor to help share her love of the sport with others.

FAVORITE BIBLE VERSE

As for me, I will always have hope. I will praise you more and more. - Psalm 71:14

This is a formal, reverent ceremony and the program reflects that. Accomplishments, future goals, and quotes can reflect the graduate's personality, but should not be foolish or offensive. Please refer to the **STYLE GUIDE** at the end of this information packet for formatting instructions and information. Homeschool Wyo reserves the right to edit for length, format consistency, grammar, etc.

SENIOR CLASS ADDRESS

Submissions for the Senior Class Address will be accepted from graduates participating in the HomeschoolWyo senior graduation ceremony. The speech should be 3-5 minutes long, must be the student's original work, and should reflect how being homeschooled through high school has impacted his/her life or helped shape who he/she is. Speeches will be judged on content (please be careful to highlight homeschooling without criticizing other methods of education), structure, presentation, and overall effectiveness.

Send a cover letter with your name, address, phone number, a written version of your speech, and a video recording of your presentation via electronic file (.wav, MP4), online video sharing such as YouTube or Vimeo so that your video is received by **April 15, 2023**. The decision of the judges is final.

CONTENT

What you choose to write about will be the most important decision because it will affect every aspect of your speech. Consider first your audience. Take into consideration the parents in the audience who have sacrificed greatly to reach this point with their children. Be sure to recognize their efforts and thank them on behalf of all the graduates.

Have something original to say. This is a reflective point in your life and in others' lives listening to you. What have you learned about life? How will you make your mark on the world? Who are people from the past or present who inspire you? Is there a historical event that helps you put life in perspective? Feel free to share

something about the centrality of your faith to your future goals and direction, but keep in mind there will be a diverse audience with varying views. Also avoid mentioning specific branches of faith and/or presenting specific political figures or parties.

Be humorous! Find a way to lighten the moment with a funny observation or a transparent moment. This doesn't mean you have to search for joke books, but as you have others read your speech, ask them where you could add some lighthearted words to put others at ease (and yourself at the same time!)

DELIVERY

Videotape your speech in good light, standing up facing the camera, and looking at the camera. Memorize your speech, but feel free to use a few note cards, if needed, to remember your outline and next point. Use gestures where they are natural to do so. Be sure to make eye contact with different sections of the audience, rather than focusing your attention in one spot the entire time. Keep in mind you are trying to connect with your audience in a meaningful way. Don't forget to smile occasionally!

Senior high graduates that are registered for the 2023 Homeschool Wyo Graduation are invited to audition to perform a musical selection at the ceremony.
