

# PDP Plan Review Overview

*Your Path to Success Begins Here*

---

#### **PDP Data Collection**

Upload your student data and progress reports to be used for your student's PDP Review.

#### **PDP Review Video Consultation**

Your assigned provider will review your data and schedule a video call to finish reviewing your student's PDP review.

#### **PDP Progress Evaluation Report**

Once your PDP provider thoroughly reviews your student's PDP data submitted for review and meets with you on your video call, you will receive your student's progress evaluation.

---

#### **PDP Independent Providers**

Meet your PDP Providers

##### **Amy Vickrey**

Amy knows special education inside and out from her extensive work as a classroom teacher before homeschooling and through her master's degree work in both special education and learning diagnostics. She now homeschools her two sons as well as runs a homeschool business that offers special needs testing, homeschool classes and consulting.

##### **Stephanie Bulkwalter**

Stephanie Bulkwalter is a mom of 5. She's homeschooled for over 17 years and has taught all twelve grades and every level from gifted to mild and moderate special needs. Stephanie is also the creator of ELARP Learning and a co-host on Empowering Homeschool Conversations.
