**NURSING EDUCATION INTERNATIONALLY  
THAT IMPACTS MUSLIMS**

# OBJECTIVES

1. Describe what it means to teach Christianly in an international context
2. Explore challenges and blessings to teach internationally

# PURPOSE

The purpose of this presentation is to share how God can use nursing education to impact lives for eternity in a Muslim majority country

- Problem Statement: Opportunities for sharing the gospel in a Muslim majority country
- Present Solution: Nursing Education

# TEACHING CHRISTIANLY IN AN INTERNATIONAL CONTEXT

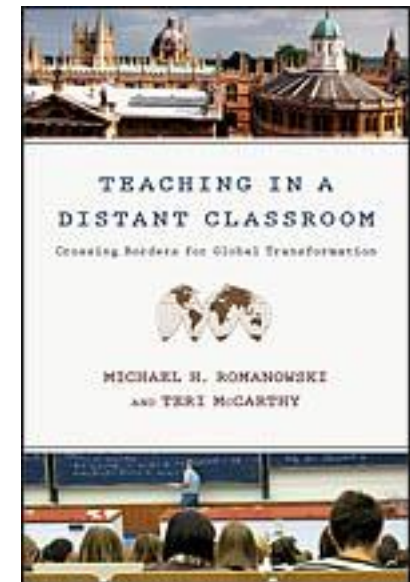

## Worldview (Sire 2004)

- What is really real?
- What is a human being?
- What happens to a person after death?
- Why is it possible to know anything?
- How do we know what is right and wrong?
- What is meaning of human history?

# CHRISTIAN EDUCATORS

- Blend principles of biblical worldview into academic discipline
- Teach with excellence
- Consider how worldview guides teaching and “classroom” management/interactions

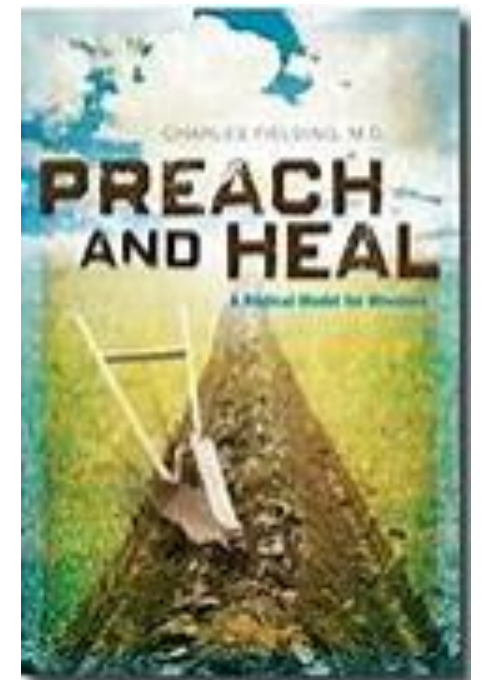

# CULTURALLY CONTEXTUALIZING TEACHING STRATEGIES
