# WHY DO WE NEED MICHN?

MAYBE YOU'VE WONDERED WHY MICHIGAN HOMESCHOOLERS NEED A STATE ORGANIZATION? MANY OF US TAKE FOR GRANTED THE FREEDOM TO EDUCATE OUR CHILDREN AT HOME. IT IS A BLESSING AND A CONSTITUTIONAL RIGHT THAT MICHN HAS BEEN FIGHTING TO PROTECT FOR NEARLY FORTY YEARS. THE BOARD MEMBERS AND VOLUNTEERS WORK BEHIND THE SCENES TO PROVIDE MANY BENEFITS TO HOMESCHOOLERS ACROSS MICHIGAN:

- **MICHN (FORMERLY INCH) WAS A KEY PLAYER IN THE BATTLE FOUGHT TO MAKE HOMESCHOOLING LEGAL IN MICHIGAN**, CULMINATING WITH THE SUPREME COURT DECISION IN 1993 WHICH ALLOWS YOU TO FREELY HOMESCHOOL YOUR CHILDREN TODAY IN MICHIGAN WITHOUT GOVERNMENT REGULATION. (PEOPLE VS DEJONGE - [HTTPS://LAW.JUSTIA.COM/CASES/MICHIGAN/SUPREME-COURT/1993/91479-5.HTML](https://law.justia.com/cases/michigan/supreme-court/1993/91479-5.html) )
- **MICHN HAS BEEN INFLUENCING THE LEGISLATURE ON BEHALF OF HOME EDUCATORS SINCE ITS INCEPTION IN 1984**, PROTECTING YOUR RIGHT TO EDUCATE YOUR CHILDREN AT HOME.
- **MICHN WORKS CLOSELY WITH OTHER STATE, NATIONAL, AND INTERNATIONAL ORGANIZATIONS** TO STAY INFORMED AND TO KEEP OUR MEMBERS UPDATED ABOUT ISSUES THEY NEED TO KNOW. WE WORK WITH:
  1. **HSLDA** (HOME SCHOOL LEGAL DEFENSE ASSOCIATION)
  2. **DR. BRIAN RAY OF NHERI** (THE NATIONAL HOME EDUCATION RESEARCH INSTITUTE)
  3. **THE ALLIANCE** (NATIONAL ALLIANCE OF CHRISTIAN HOME EDUCATION LEADERSHIP)

# 2022 INCH KEYNOTES

**GINNY YURICH**

**HEIDI ST. JOHN**

**PETER HECK**

## KEYNOTE #1

THURSDAY EVENING - 7-9PM

### **HOMESCHOOLING: YOU'RE DOING IT RIGHT!**

#### **GINNY YURICH**

Whereas the public school system is very uniform, the landscape of homeschool includes all sorts of variety. This variety can sometimes lead to confusion about the decisions we make along our homeschooling journeys. We know that God is a lover of variety. We can see that simply by looking at His creation. He made 7,000 different types of apples, for instance. In this session you will learn how to cater learning to the individual interests of your children and you will leave embracing the freedom that homeschooling offers each family.

## KEYNOTE #2

FRIDAY AFTERNOON - 1:15-2:30PM

### **STRONG ROOTS, STRONG FAITH**

#### **HEIDI ST. JOHN**

Our family is only as strong as our marriage. And our marriage is only as strong as our faith. Every aspect of modern life conspires to destroy faith, tear apart marriages and scatter families. But it all begins with faith. Faith is more than reading the latest Christian bestseller. It's more than attending the fastest growing church in town. It's a simple, ancient practice born out of simple truths and eternal wisdom. Heidi St John will help you put down the deep faith roots and build the strong faith foundations needed to anchor your family in this rapidly changing world. With refreshingly honest insights and a rich sense of humor, Heidi will point you back to Jesus, the One and Only as you laugh and cry together. As Heidi draws you back toward the "things of first importance" you'll find your faith taking root once more as you dig in and anchor the marriage, family and children that you cherish.

## KEYNOTE #3

FRIDAY EVENING - 7-9PM

### **FAMILY>**

#### **PETER HECK**

A presentation that every American desperately needs to hear, In Family > Peter delivers a funny, personal and motivating call for our culture to reclaim "handkerchief marriages," invest fully and completely in our children, and rebuild the walls of this crumbling institution. It's a timely reminder that, as the family goes, so goes the civilization.

## KEYNOTE #4

SATURDAY AFTERNOON - 1:00-2:00PM

### **OFF THE BENCH & ONTO THE BATTLEFIELD**

#### **HEIDI ST. JOHN**

Off the Bench & Onto the Battle Field: How your family Can Get onto the Frontlines in the Battle for Faith, Family, and Freedom. "I see the threats, but I don't know what I can do!" If this describes you, you're not alone. Most parents today see big problems on the horizon but are not sure how to make a difference in the battle. Join Heidi St. John as she teaches 5 ways you can get off the sidelines and onto the frontlines. Learn to engage and encourage others to do the same.

## BREAKOUT SESSION #1

**SANCTUARY**  
**FRIDAY - 9:30-10:30AM**  
**HOMESCHOOLING HELD HOSTAGE**  
**HEIDI ST. JOHN**

In the past twenty years, we've seen a lot of changes in the homeschool community. There is much more pressure being put on homeschoolers to excel academically. We've gone from a few brave moms who, without access to mainstream "curriculum", managed to give their children an excellent education—but we've forgotten what made it excellent. It was excellent because these moms had a vision for homeschooling—they weren't trying to re-create school at home. They were simply being obedient to the One who had called them to be different. They knew that if He had called them, He would equip them. And they were right. If you're struggling to find joy in your calling as a homeschooling parent, if you're looking for more LIFE in your homeschool, this is one workshop you won't want to miss. Join Heidi as she talks about her journey away from curriculum-driven, workbook-based homeschooling and into delight-directed learning. What she learned will bless and inspire you. Bring a notebook—this is one of Heidi's favorite presentations!

**CHAPEL**  
**FRIDAY - 9:30-10:30AM**  
**INSIDE A CHARLOTTE MASON HOMESCHOOL**

**FIRESIDE ROOM**  
**FRIDAY - 9:30-10:30AM**  
**THE POWER OF FICTION**  
**CHUCK BLACK**

Fictional stories are a powerful way to capture the attention of the young and old alike. Jesus used short fictional stories to explain the kingdom of God as did Nathan the prophet to bring a king to his knees in repentance. Discover how your use of fiction can get your children excited about seeking truth and about serving God in kingdom-building work. Does fiction really have the power to change lives? Absolutely! Join Chuck Black in discovering how.

**KIDZ CONNECT**  
**FRIDAY - 9:30-10:30AM**

## BREAKOUT SESSION #1 CONTINUED

**NORTHWEST CHAPEL**  
**FRIDAY - 9:30 - 10:30AM**  
**BIBLICAL LEADERSHIP**  
**MIKE WINTER**

Men were made to lead. We'll take a look together at what that looks like in the role of a homeschool dad. "Leadership is influence" is a popular teaching, and no one can argue that influence is a key component of leadership. But is there something that comes before influence? We will consider the idea that leadership begins with initiative, the precursor to influence, and examine key areas of leadership initiative for best influencing the outcomes you desire to see as homeschool parents.

**VIP ROOM**  
**FRIDAY - 9:30-10:30AM**  
**DEVELOPING A PLAN FOR HIGH SCHOOL: SAMPLE 4 YEARS**  
**LANISSIR JAMES**

What plan would suit your high school student? What subjects do you teach and when? Do you follow a basic high school plan, a general college prep plan, or a rigorous college prep plan? This seminar will help organize your thoughts and lay the groundwork for a viable four-year plan. You'll learn about high school credits, simplifying grading, and the fundamentals of recordkeeping – transcripts, extracurriculars, and diplomas.

**STUDIO A**  
**FRIDAY - 9:30-10:30AM**  
**LEGAL DO'S AND DON'TS**  
**DAVID KALLMAN**

What are the legal responsibilities of home-educators? Are there certain things home educators should or shouldn't do? What are the two options under which families can choose to homeschool in our state? David will help you be informed, not intimidated, when it comes to answering questions, filling out forms, and dealing with school officials.

**COMMUNITY ROOM 2**  
**FRIDAY - 9:30-10:30AM**  
**MATH GAMES & ACTIVITIES TO SUPPLEMENT ANY MATH CURRICULUM**  
**BOB HAZEN**

Since basic fact mastery is a means to the end of successfully navigating the world we live in, then fact practice should also be a means to an end - like having fun, scoring points, winning a game, teaching a friend, moving up in a tournament. Math games provide the variety, motivation, and context that deepen both recall and understanding. We will study the three essential dynamics that must be in place for memorization to occur, keeping this in mind: Memorization doesn't make math mastery harder - memorization makes math mastery possible. Attendees will learn and play a variety of practical games and activities that can be used with any curriculum and which reinforce fact mastery.

**SPIRITUAL WARFARE: FIGHTING FOR YOUR FAMILY**  
**CHUCK BLACK**

Choosing to homeschool does not exempt us from spiritual warfare; instead, it puts our families on the front line. With over eighty percent of evangelical Christian young people leaving their faith when they leave home, never to return, something is wrong in our tactics in fighting the enemy. Ignore an enemy and he will defeat you. Underestimate an enemy and he will defeat you. The good news is that we can live in victory! God gives us all the weapons and strategy we need to prepare our children for the spiritual battles to come. Trained as a military warrior, Chuck offers insight, training, and strategies for not only surviving the battle, but also advancing the kingdom through spiritual warfare.

## BREAKOUT SESSION #4 CONTINUED

**NORTHWEST CHAPEL  
FRIDAY - 4:00-5:00PM**

**THE SIGNS OF THE TIMES: UNDERSTANDING THE TIMES  
TO COME  
CHUCK BLACK**

Biblical prophecy is being fulfilled in our lives today. God gave Daniel a profound prophecy regarding the coming of Jesus Christ and our Lord rebuked the people for not knowing the time of His coming. During His ministry, Jesus warned us over and over again to watch for Him that we might not be ashamed at His second coming. This session will help believers understand the signs of our times and help them prepare for that great day. This cliff notes Bible study of the End Times explores the three most common interpretations of the second coming of Christ. Chuck's non-dogmatic interpretation aligns predominantly with the pre-millennial view, but he finds great value in carefully considering varying biblical views held by Christian Bible scholars that teach other end time perspectives. The primary focus for this session will be to help believers prepare for future challenging days that will test their faith. Scripture reference for this session will be Matthew 24 and Revelation.

## BREAKOUT SESSION #5

**SANCTUARY**  
**SATURDAY - 8:30-9:30AM**  
**BECOMING MOMSTRONG**  
**HEIDI ST. JOHN**

Today's mothers are living in challenging times. We're facing things that our mothers could never have imagined. From Internet predators to the rise of domestic terrorism to the discovery of GMO's, BPA's, and STD's... our lives are vastly different than the generation before us. Many moms are struggling with fear of the future and worry about raising children in today's culture—but God says loud and clear, "Do not be afraid! Be strong and courageous!" Mom, you have a mission. Your mission (should you choose to accept it) is to raise the next generation of teachers, doctors, judges, police officers, grocery store clerks, attorneys, nurses—and parents. Yes! You are raising the next generation of parents. Look around. It doesn't take very long for one generation to hand the baton to the next, and as mothers, we've got to be ready to prepare our children for whatever they may face as followers of Jesus Christ. Heidi will challenge as she talks about what it will take to "Become MomStrong" —drawing on truths from God's Word to answer the tough questions this generation of kids is asking and prepare moms to meet the challenges head-on.

**CHAPEL**  
**SATURDAY - 8:30-9:30AM**  
**DADS & DOUGHNUTS - A CALL TO ARMS: THE GUTS & GLORY OF COURAGEOUS FATHERHOOD**  
**CHUCK BLACK**

There is a spiritual war being waged for our families. Our enemy is strong and we are in his territory. Dad, if you don't fight for your family, no one else will. When a soldier is in enemy territory, he is alert, focused, and purposeful about every move he makes with weapons ready. Only you stand between the enemy and your family, for God has given you the authority and the responsibility to stop him from destroying your marriage and your children. This takes courage, but your calling is noble...it is God's call to arms. Chuck offers straight answers and practical help for dads who are looking to protect, train, equip, and launch soldiers for Jesus Christ.

If you've ever heard Heidi speak, you know how passionate she is about encouraging healthy marriages. The title says it all—so leave your expectations at the door and join Heidi for an hour of straight-to-the-point marriage talk about the importance of keeping the home-fires burning. Leave your kids with your husband for this women's only workshop and get ready to be encouraged through humor and honest conversation. This workshop is rated “M” for marriage.

**FIRESIDE ROOM**  
**SATURDAY - 9:45-10:45AM**  
**HOMESCHOOLING ON A SHOESTRING BUDGET**  
**VICKI BENTLEY**

Homeschooling doesn't have to cost hundreds of dollars per child. Vicki homeschooled seven at a time while their family was without a full-time income for four years, sometimes spending less than \$100 per year.

**KIDZ CONNECT**  
**SATURDAY - 9:45-10:45AM**  
**I DON'T HAVE ENOUGH PATIENCE**  
**BROOK WAYNE**

Many moms feel like they don't have enough patience to home educate their children. What do you do when your worst fears are confirmed and you realize you don't have enough patience to continue homeschooling? Come learn about what patience is, what it isn't, where it comes from, and how to grow and thrive in the pressure cooker of mothering.

## BREAKOUT SESSION #6 CONTINUED

NORTHWEST CHAPEL  
SATURDAY - 9:45-10:45AM

**ESCAPISM: AVOIDING THE SNARES OF MEDIA**  
**CHUCK BLACK**

In today's technology culture, the enemy's lure of our young people's minds to escape into an artificial world is great. As the line between reality and simulation blurs, the stronghold of escapism becomes more and more powerful. Apathy and self-indulgence are two destructive consequences that lead to broken relationships, broken homes, and broken hearts. Find some practical tools you can implement to help keep your children from getting caught in the snare of escapism.

VIP ROOM  
SATURDAY - 9:45-10:45AM

**WORD PROBLEMS: LANGUAGE & MATH; WORDS & SYMBOLS**  
**BOB HAZEN**

One of the difficult aspects of math word problems is often the English! This session will examine and demonstrate specific strategies for carefully constructed verbalizations to provide closer connectedness between what we read with words and what we write with symbols. Learn the importance of definitions; how to teach the reading of directions; the very first thing to do with word problems (and the two reasons for doing so); the proper (and improper) meaning of important math symbols; how to teach which operation to use; and more.

STUDIO A  
SATURDAY - 9:45-10:45AM

**IN THEIR OWN WORDS: TODAY'S GOD-LESS AMERICA**  
**MARK BOONSTRA -JUDGE, MICHIGAN COURT OF APPEALS**

What Would Our Founding Fathers Think? In short, I have researched every signer of our founding documents (the Declaration of Independence, the Articles of Confederation, and the United States Constitution), have written a biographical section on each of them from a religious perspective, and have appended a series of quotations (from each) relating to that signer's views on religion and its place in American society. My premise is that we as a country have strayed far from what our Founding Fathers intended, and that the fundamental, underlying reason for that is that we have lost God. That is, modern-day America is seeking to banish God from our society, and it has led to the mess in which we now find ourselves. I then contrast what the signer said with an example from modern American life, and pose the question (for the reader to ponder and answer for him/herself), What would (that signer) think of where we are today?

COMMUNITY ROOM 2  
SATURDAY - 9:45-10:45AM

**MANAGING MULTI-LEVEL TEACHING**  
**KATHIE MORRISSEY**

There are no easy answers to teaching a number of children of different ages, and there's no doubt that doing so is a real challenge that requires patience and creativity. Though we may feel it's pushing us to our limits, it provides opportunities for our kids to learn responsibility, independence, and self-control. Kathie Morrissey, mother of 8 children, will share many practical tips and ideas to make your school time more productive, and your job easier.

## THANKS FOR COMING TO INCH!

WE'RE SO THANKFUL THAT YOU CHOSE TO TAKE THIS TIME AND MAKE THIS INVESTMENT INTO THE SPIRITUAL DEVELOPMENT OF YOUR FAMILY! MICHN'S PRIMARY PURPOSE IS TO PARTNER WITH GOD IN HIS WORK OF DRAWING PEOPLE TO HIMSELF IN ORDER TO CONFORM THEM INTO THE IMAGE OF HIS ONLY SON, THE LORD JESUS CHRIST. TO ACCOMPLISH THIS END, WE HAVE INVITED SPEAKERS AND EXHIBITORS TO ENCOURAGE AND EQUIP YOU IN YOUR WALK WITH CHRIST AND IN YOUR WORK OF TRAINING YOUR CHILDREN TO KNOW HIM SO THAT AS THEY GROW, THEY WON'T DEPART FROM HIS WAYS.

IT IS OUR HOPE, OUR PRAYER, AND OUR TRUST THAT THIS WEEKEND WILL BE A TRANSFORMATIONAL TIME AND A TREMENDOUS BLESSING TO YOU AND YOUR FAMILY. MAY IT RESULT IN YOUR LOVE FOR GOD AND YOUR FAMILY BEING INCREASED AND STRENGTHENED! MAY THE LORD BLESS YOU AS YOU LAY A FIRM FOUNDATION FOR YOUR FAMILY, BUILT UPON YOUR FAITH IN THE LORD AND THE FREEDOM HE GIVES US TO FOLLOW HIM IN THE TRAINING OF OUR CHILDREN FOR HIS GLORY! WE PRAY YOU LEAVE REFRESHED AND RENEWED IN YOUR RESOLVE TO LIVE FOR HIM AND TRAIN YOUR CHILDREN TO DO THE SAME!
