### Impact of the Coronavirus & Your Programs

Hello Alliance Members!

Last week NTSA hosted our very first member conference call to talk about the **impact of the coronavirus on your staff, survivors and organizations**. It was a joy to have 40 individuals on the call! Be sure to check out our **Summary Report** from leaders across the field who shared their preliminary findings of how the coronavirus is impacting human trafficking.

If you were not able to join us, don't worry! Save the date for our next member conference call on **Thursday, April 23rd** (3:00-4:30pm EST) to discuss **de-escalation and conflict resolution** with Dr. Rondy Smith (Founder and Executive Director, Rest Stop Ministries). More info to come!

### Coronavirus Relief Funding for Nonprofits

Last week, the federal government passed the CARES Act which outlines multiple **funding applications** for nonprofits impacted by the coronavirus via the Small Business Administration:

- **Economic Injury Disaster Loans** - designed as a grant for up to \$10,000.
- **Paycheck Protection Program** - applications open on Friday, April 3rd. This plan acts as a loan that will be forgiven.
- Find a **Small Business Administration** location near you for state-specific funding relief.

If you have any questions, please do not hesitate to reach out to us at **membership@shelteredalliance.org**! We are here to support you, and help bring clarity to any of the available funding relief applications.
