## The Sheltered Guide 4/22/2021

Hello Alliance Members,

This week we are happy to bring you some great resources on **servicing minor survivors** of trafficking. As many of you have experienced, children and adolescents process trauma and respond to traumatic events very differently than adults. Consequently, the support they receive must reflect their unique needs. Don't forget, we have a **Group dedicated to servicing minors** on the **Membership Portal!**

- **Child Victims of Human Trafficking** - Outcomes and Service Adaptation within the U.S. Unaccompanied Refugee Minor Programs (Hilary Chester, PhD; Nathalie Lummet, MSW; and Anne Mullooly, MSSW)
- **Self-Regulation for Adolescent Survivors of Sex Trafficking** - An Occupational Therapist's Perspective (University of St. Augustine, 2020)
- **Victim Populations** - Minors and Adolescent Victims (Department of Justice Office for Victims of Crime)
- **The Impacts of Sex Trafficking on Children of Survivors** - Stakeholders' Perspectives (St. Catherine University, 2017)
- **An Ecological Approach toward the Prevention and Care of Victims of Domestic Minor Sex Trafficking** (Journal of Forensic Nursing, 2018)
