**Struggling to meet minimum standards? That's ok.** We have resources available that are focused on meeting specific minimum standards. Each of these will be tagged with the Minimum Standards tag.

Our first tip to support of your agency as you strive to meet these standards is information on **getting your direct staff CPR certified**. This can be expensive, but we found some affordable ways to meet this standard.

If you have found your own affordable way to meet this standard, leave a comment on the article so others can learn from you!

### Don't forget to join the News, Events, and Opportunities Board!

When the Alliance finds relevant webinars or news, we will post the information here. Plus, the Institute of Shelter Care will be posting a list of interns who are available to support your work.

If your agency is hosting a training and want to share with other members, follow our [Event Sharing Policy](#) and we can post it on this board as well!
