\$875

Across the United States, individuals are stepping up to protect their friends and family in their houses of worship.

The FBSN is a Christian-Based professional membership association dedicated to enhancing the professionalism and connectivity of ministry security operators along with supporting ministry leaders, law-enforcement, and first responders, plus professional affiliate providers of products and services.

Participants come from coast to coast. This year in Texas, we are hoping to reach 40 states at our 7th Annual Security Operations Summit (SOS.25). Attendees gain verbal de-escalation, executive protection, legal, child protection and many other essential skills and concepts needed in this great endeavor to keep our faith based organizations safe and secure.

Please consider this invitation for your participation and/or support of SOS.25, and help us equip Church Security Operators to protect their ministries.
