

Resources: Cultural Competency

There are so many different options if you google “cultural competency healthcare” – so let me direct you to two websites for resources:

<https://npin.cdc.gov/pages/cultural-competence>

A good description of cultural competence, links to articles, videos and other online resources.

<https://nccc.georgetown.edu>

An extensive collection of learning opportunities, assessments and articles.

<https://commonpurpose.org/knowledge-hub-archive/all-articles/what-is-cultural-intelligence/cq-test/>

A quick cultural intelligence test.
