## The Sheltered Guide- 12/18/20

Hello Alliance Members,

This is our final Sheltered Guide of 2020! We have all had quite the year, and we are incredibly thankful for each and every one of you! **THANK YOU** for being part of the Alliance and your commitment to enhancing services for survivors across the US!

Today we are wrapping up with a few applicable and timely resources we hope will help with your year-end endeavors.

- **Landscape of Human Trafficking in 2020 & What To Expect in 2021-** roundtable discussion hosted by NTSA with leaders and experts in the field (global, national/federal, and state level perspectives)
- **Modified Intake Procedures due to COVID-19-** provided by The WellHouse
- **Impact of the CARES Act and Year-End Giving-** provided by Key Financial Inc.

Note on the CARES Act: *Congress passed the CARES Act to encourage charitable giving which allows taxpayers to now deduct up to \$300 for donations to 501(c)3 charities. If you itemize deductions, you can now deduct donations up to 100% of your adjusted gross income for 2020. For corporations, charitable deductions increased to 25% of taxable income. (Fidelity)*

**Sneak Peak: We are kicking off 2021 Sheltered Guides with Program Models!**
