Guarding the Flock

The FBSN is a Christian-Based professional membership association dedicated to enhancing the professionalism and connectivity of ministry security operators along with supporting ministry leaders, law-enforcement, and first responders.

Participants come from coast to coast. This year in San Antonio, TX, we are hoping to reach 40 states at our 7th Annual Security Operations Summit.

Attendees gain verbal de-escalation, executive protection, legal, child protection and many other essential skills and concepts needed in this great endeavor to keep our faith based organizations safe and secure.

Please consider this invitation to SOS.25, and help us equip your Church Security Operators to protect their ministry.
