Male & Female as Created by GOD

Thomas W. Jacobson, Global Life Campaign

The only One who defines with absolute truth who we are is GOD our Creator. We are human (Man), not animals, birds or fish, or from them. We are either male or female – every cell of our body – and that is unchangeable.

The first Hebrew word for Man or mankind in Genesis 1:26-27 is **aw-dam'** H120 אָדָם [âdam], and refers to the first man Adam, or both Adam and Eve, mankind, or human being. GOD created us “in His own image” and likeness, and male or female.

The first Hebrew word for Man as male in the same verses is “**zakar**,” H2145 זָכָר [zâkâr], meaning *remembered, a male, memorial* of parents. It is derived from H2142 זָכַר [zâkar], meaning *to mark, to remember, to recollect, to bring to mind, to record; pricking, piercing, penetrating, infixing; memory; to keep, to preserve; to be male* (www.BlueLetterBible.org). Thus GOD created Man as male with a foremost duty to remember Him and His words, and pass this knowledge to his wife and children. The fall of mankind occurred when Adam stayed silent as his wife was tempted by Satan, and then both disobeyed GOD’s direct command not to eat the forbidden fruit (Genesis 3). The second Adam, Jesus Christ, gave His life to restore us to the Father and to our true identity. When men rise up in their true manhood, remembering, speaking and standing for the LORD, with mighty prayer intercessions, protecting their wives, children and community, then deliverance from every social evil and restoration of righteousness, peace, the sanctity of human life, and ending abortion and sex slavery are all possible.

The first Hebrew word for woman is **nek-ay-baw'**, H5347 נִקְבָּה [nêqêbâh], : *a woman, a female*. This word comes from the root word **naw-kab'**, H5344 נָקַב [nâqab], : *to puncture, to bore (a hole), to perforate; to separate, to distinguish. It means to be open to receive*. When GOD created Eve, she was open to receive her husband, Adam, and his physical seed enabling her to bare their children. She was also open receive the Words (spiritual seed) GOD had spoken to Adam, which he imparted to her. But further she was open to receive the words (the seed) of the serpent, and was deceived because her husband (and she) did not bring back to their memory and speak out the Words of GOD to protect her and repel the temptation. When women rise up in their true womanhood, united with their husbands, children, parents and the people of GOD, in remembering and keeping the Words of GOD, with mighty prayer intercessions, then every good spoken above multiplies exponentially in possibilities.

The GLC is offering a course, **Discipleship 1 & Pro-Life Advocate Training**, to rebuild Biblical, Truth, and faith foundations that few of us ever received at home, church, school or college.

Two of those areas are clarifying what it means to be created “in the image” and likeness of GOD, and what it means to be male or female.

Title, Cost, Duration, Day & Start: **Discipleship 1 & Pro-Life Advocate Training:** \$349 (includes book); 12 lesson weeks; starting September 6 or 7 (Wednesday or Thursday evenings).

Stipulation: If we receive at least 10 paying students for the class, I will teach the class. If not, we will postpone the class until January 2024.
