Trump Administration Stops Coverage of Travel Expenses for Military Personnel to get Abortions

Thomas W. Jacobson, Global Life Campaign

The Trump Administration revoked the Biden/Harris Administration policy of covering travel expenses for military personnel and their dependents to get abortions. This policy change was made by Pete Hegseth five days after he was confirmed as U.S. Secretary of Defense.

Department of Defense

Memorandum (29 January 2025):

The Memorandum was titled:
"Remove Travel for Non-Covered Reproductive Health Care Services."
This is part of the Biden/Harris policy that was revoked and removed:

~~"B. 1. Non-covered Abortion: Travel and transportation allowances for Service members (Active Duty Service~~

~~members, Reserve Component Service members on active duty orders for more than 30 consecutive days, and Service academy cadets and midshipmen) and dependents of such Service members receiving care may be authorized when a licensed medical provider has validated the pregnancy and substantiating documentation is provided." . . .~~

~~"B. 3. a. For a non-covered abortion, the determination of the closest, capable clinic, office, or medical facility must consider the availability of the time-sensitive procedure as a factor for the determination."~~

The Biden/Harris policy authorized financial allowances for lodging, meals, and transportation for the service member or dependent, and an "attendant or escort."

Americans will no longer be paying for these abortion related expenses with our taxes.

THANK YOU President Trump and Secretary Hegseth for protecting the sanctity of human life from its beginning, for restoring righteousness and justice to our Federal Government and military, and for not requiring us taxpayers to pay for the murder of unborn children.

PRAY: Give thanks to the LORD and Ruler of nations – for Whom "righteousness and justice are the foundation of (His) throne" (Psalm 89:14) – for this decisive action that is restoring the

sanctity of human life and righteousness and justice to the United States military. Pray for faith, courage, boldness, endurance and tenacity for President Trump, his Administration, and Secretary Hegseth and the U.S. military, to stay on course, make hard decisions and wise policies such as this, and enforce them.

For the LORD, the sacred gift of life, and remembrance of the babies,
